MOUNTAIN FOLK FESTIVAL

A weekend of folk dancing and music for grades 4 - 12 youth dance groups to gather and share. Groups prepare in advance by learning the festival dances on their own, then we fine-tune and practice the dances together. It's a great opportunity to meet other young folks who love traditional music and dance, supported by skilled dance leaders and fabulous musicians. In the evenings, the larger community is invited to dance with them and enjoy their performances!

Thursday, March 28
Friday March 29
Saturday, March 30
